Spring 2026

Assignment Due: April 26, 2026

Student Name: _____ ID: _____

--

Type your answers to the following problems and submit a hard copy as well as a soft copy by the due date.

1. [10 pts] Briefly compare deontological and utilitarian theories of ethics. Which is more relative? Which is more absolute?	
2. [5 pts] List one negative and positive effect of freedom of speech.	
3. [10 pts] A life insurance company is experimenting with analysis of possible consumer profiles collected from a social networking Web site (to determine whether a person eats healthy food, exercises, smokes, or drinks too much, has high-risk hobbies, and so on) to estimate life expectancy. Companies might use the analysis to find populations to market policies to. a. From the perspective of privacy, discuss if this activity should be allowed. b. Describe how best the board of directors of the insurance company might respond to the privacy objections.	
5. [10 pts] Google Street View's cameras occasionally capture people in embarrassing behavior and in places they would prefer the whole world not see them. Many people objected that Street View violated people's privacy. How, and how well, does Google address the privacy concerns?	

6. [5 pts] Describe two tools people can use to protect their privacy on the Web.
